

Top 5 Reasons to get MagicBase Pro 4 now:

1. Earn enough money in extra shows to pay for it

*Take advantage of the extra marketing features in MBP like:

- Segmented Marketing Lists, •Bulk Emailer, •Easy Newsletters,
- Marketing plans, and •Pop-Up Reminders.

2. Learn how to use MagicBase Pro before the busy season.

Soon you'll be a pro at using all of the great features like:

- Show Planner
- Printed forms
- Events Viewer
- Customer Relations Manager
- Marketing tools

3. Isn't it time to make a move to the next level?

You've gone long enough using a haphazard collection of software that doesn't work together and wasn't designed for performers.

Many of our customers are performers who have decided to get focused on really earning some extra money with their performing skills.

4. It's a one-time purchase and you can use it forever with no additional fees.

But the price will only go up, if you wait.

5. MagicBase Pro comes with a 6-month money-back guarantee.

The only risk for you is losing the extra money that you could have been earning while you wait to purchase MagicBase Pro.
